April is one of the most popular names for a baby girl. The parents name their baby April because they believe that it is a good name for their baby according to the recent survey.

April is always associated with April fool's day. It is celebrated by all people in the world on the first day of April. Even though it is not a national holiday, the celebration is fun and witty. They will create hoaxes, pranks or jokes to others. The first usage of April fool was dated back in 1693.

In 1987 till 1996, April was considered as the International Guitar Month. Today, it is called as the national poetry month in United States.
