**Interesting facts you should know about the month of February: Anglo-Saxon call February Solmonath (mud month) and Kale-monath (cabbage month). February is the second month of the year in the Julian and Gregorian calendars. It is the shortest month and the only month with fewer than 30 days. Was named after the Latin term februum, which means purification. The birth flower for this month is the Viola and the Primrose(Primula vulgaris).**

**Super Bowl LIV is on FOX which is channel 6 here on Sunday, February 2<sup>nd</sup>, 2020.**
